## How to make a crayon candle

### *You will need:*

- a wax crayon with paper label
- matches

Wax crayons are not just for adding a bit of colour to our world. They can also add light to a dark night. Simply **take** a wax crayon with a paper label, **stabilise** it and then **light** it. It will burn like a regular candle.

There you have it! The brightest crayon in the box.

find this interesting? then we want you!
